

Arsonists keep fire fighters hopping

Arson is suspected in a string of fires that broke out in the downtown area of Minden late Wednesday night causing an estimated \$1,800 damage.

Deputy Fire Chief Bob Wells says there is no question that arson caused the three fires, set simulta-

cously at the Rockcliffe Hotel, apartment units on the main street and behind the Pet Food Place.

While there were no injuries resulting from the fires and the damage was minimal, Wells says each carried the potential of destroying the buildings and

taking a number of lives.

"The thing that bothers me is the fact that someone is running around lighting fires," said Wells. The potential for disaster was especially high at the hotel, which was filled with patrons, and at the apartments.

The fire department was first called to the Rockcliffe at 12:57 p.m. where a fire had been set in a waste can in a second-floor washroom. This fire, which caused an estimated \$500 damage, had already been extinguished by an employee of the snack bar by the time firefighters

arrived.

Moments later, firefighters were called to respond to a fire set in an entranceway to apartments above Beckers on the main street. The fire had been set in a laundry tub, causing an estimated \$300 damage to an adjacent wall. This fire

had also been put out by a resident of one of the three apartments before firefighters arrived, said Wells.

The third fire was set to a brush pile behind the Pet Food Place. This blaze caused an estimated \$1,000 damage before firefighters were able to kill the flames.

Rules choke HTC

There seems to be little hope that the Hospitality Training Centre will re-open under the conditions outlined by the federal government for its operation.

That is the opinion of centre director Daun Windover following a meeting Thursday with federal officials. The board of directors of the centre had announced earlier in the week that a decision had been made to close the facility, because of

the difficulty in meeting the federal government's requirement that participants in the program be unemployed for the last 24 of 30 weeks. At the moment there was no HTC courses underway, although the organization had made tentative plans for another course to start in September.

The centre has been in operation for five years, training individuals for the resort and hospitality industry. The training

involve bartending, house-keeping, cook's assistant and other skills required by the local tourist industry. Earlier this year the centre moved to the Dell Haven Bed and Breakfast accommodation facility on Lake Kashagawigamog. The setting provided the students with first hand experience in the various aspects of resort operation.

The board of directors for the centre decided in a split, 3 - 2 decision July 2 not to

carry on with the school. Windover described the move as a difficult one for the board, however she noted, "The board has been working for two years to find a solution to this situation. One did not appear possible and so after a lengthy and sometimes heated discussion, it was decided to close the doors."

She suggested that the decision by the board was an important political statement, which other groups in the province have been considering, but have not had the courage to do. There are 42 other similarly funded projects in Ontario and, according to Windover, many have expressed their concern about the restrictive nature of the federal funding.

According to a press release from the board of directors, "The Centre was started back in 1982 under a program called L.E.A.P. (Local Employment Assistance Program) and was designed to help those who were having difficulty either getting or holding a job to develop some marketable skills. The hospitality industry, it was established, was in need of trained personnel. Students were provided with instruction in waiter/waitressing, bartending, kitchen and house-keeping duties, and life skills. The centre was considered very successful as over 85% of the graduates were able to obtain steady jobs."

"When the government re-organized their training programs the project was put under 'job development' and the target group for students was designated as 'severely employment disadvantaged.'"

To qualify as a student one must be unemployed for (more on page 5)

Resident criticizes chief building official

"Don't build in Minden Township." This is the advice of a resident who claims he has been hassled ever since he began building on his property on Highway 121.

Gary Warburton directed stinging criticism at the Chief Building Official Peter Oomen during Thursday's meeting of Anson, Hindon

and Minden council. Further criticisms were directed at council members and the township in general.

Warburton was on hand at the meeting to complain about the "hassles" he has faced since starting construction of a storage building on his property at the corner of Poverty Bay Road. For a number of

circumstances, he was unable to obtain a building permit. And when he began construction without the permit, a stop work order was issued by Oomen.

Oomen told council that Warburton removed the posted stop work order, which resulted in charges being laid. These charges will be addressed in court, council was told.

While council patiently listened, Warburton said he has always hated Minden and these recent problems confirm his dislike. Since the meeting, he has posted a sign on his property discouraging people from building in the township.

In an attempt to circumvent the problem, individual council members offered advice to Warburton. However, he indicated he was reluctant to take the advice, suggesting that the township purchase his property and relieve him of the burden.

With no apparent solution to be had at the meeting, Warburton left the council chambers, slamming the door as he went.

Gary Warburton has erected a sign on his property as a result of his frustration with the municipality.

Paul Andratis, centre, scrambles for the lead in the special test section of the Rockcliffe 100. Flanking him are Blair Sharpless and Dave Marr. At this point, all tied for first place. Paul managed to grab the lead and hang onto it, winning the competition by two seconds. See story on page three.

Building boom is best ever

Along with the increased demand for real estate in Anson, Hindon and Minden Townships, the area is experiencing a residential building boom more than double anything experienced in the past decade.

In his first semi-annual report to council Thursday, Chief Building Official Peter Oomen said there has been a 43 per cent increase in the number of building permits issued during the first half of

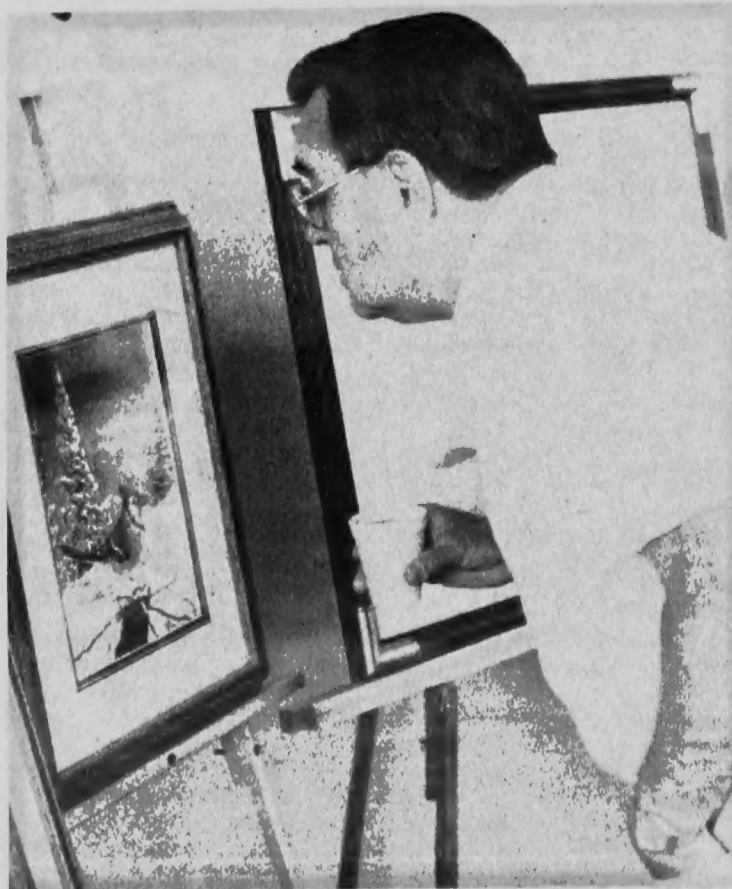

this year. And of the 103 permits issued, 20 are for new permanent dwellings.

Construction has been on the rise for the past five years, Oomen told council. During the first six months of 1987, 36 building permits were issued. During this period of 1983 this grew to 52. In 1984 it hit 67; 76 were issued in 1985, and last year it held steady at 72.

A spell of hot, muggy temperatures has forced many people to seek cooler quarters. This fellow found a fun way to cool off at Buttermilk Falls, July 9.

Andratis wins Rockcliffe 100

The 1986 Canadian and Ontario Enduro Champion, Paul Andratis, has won the first running of the Rockcliffe 100 Motorcycle Enduro. The event took place Saturday under sweltering heat.

The Delhi, Ontario native, took top spot in the Masters Class with only 17 demerit points assessed during the enduro portion of the event. He covered the moto-cross section, at the gravel pit on the Bobcaygeon Road north of Minden in 3:19 to clinch the victory.

Andratis was tied with two other Master riders following the Enduro portion of the event. Blair Sharpless of Toronto and Dave Marr, of Belmont Ontario, near London, Both members of the Can-Am racing team, held 17 points following the enduro run. The three drivers agreed to break the tie, in a head-to-head challenge in the moto-cross special test section. The section tests the driver's handling skill, speed and agility as he manoeuvres his motorcycle through a twisting trail that includes a number of jumps, steep drops and sharp turns. Andratis gained his advantage in this section with a time of 3:19, beating his nearest rival, Dave Marr who was just two seconds

behind the leader. Sharpless turned in a time of 5:14 after experiencing motor trouble.

Andratis is a 23 year old rider, who has been involved in motorcycle racing for the past six years. He is a member of a motorcycle club in Simcoe and rides a Husqvarna sponsored motorcycle.

Paul is familiar with the Highlands, having participated in the annual Corduroy Enduro, held each September in the county. Last year he finished in a tie for first place in that event, but was relegated to a second after losing in a special test tie-breaker.

It was likely Paul could have captured top spot in the Rockcliffe 100 without the tie-breaker special test section. In the last portion of the Enduro section, Paul's machine experienced a flat tire which contributed to the five demerit points assessed against him during that portion of the race.

The weather was a major factor in Saturday's race. Many drivers were forced to leave the course because of heat exhaustion, the result of temperatures which nudged 40 degrees. One rider was seriously injured when his machine struck a tree on the first section of the course. The driver, who is unidentified, broke a leg,

The champion of the 1987 Rockcliffe 100, Paul Andratis.

and remained in the bush for a number of hours before race officials could prepare a nearby location for an evacuation helicopter to land. The rider was taken to a Toronto Hospital suffering from shock as well as the injury sustained on the trail.

According to one of the members of the organizing committee, 60% or 96 of the

160 riders finished the course. He noted that since the route made use of Crown land west of Minden, the trail sections could be much longer than many drivers experience in southern Ontario races. This factor, combined with the heat, took its toll, particularly among inexperienced riders.

The spokesman also said (more on page 14)

Ministry calms concerns

In an effort to address false concerns about high levels of pollution in Halls Lake, representatives from the Ministry of Environment were on hand at Thursday's meeting of Stanhope Council.

Wayne Moore, who is in charge of the Cottage Pollution Control Program, eased some of the concerns of Halls Lake residents who had been led to believe there was a pollution problem in the lake.

Moore told the full-house audience in Stanhope that studies conducted under his authority looked at the condition of septic systems on properties surrounding the lake. He said the pollution control program did not investigate levels of pollution in the water.

News coverage of the report on Halls Lake set off alarms by concluding that

since nearly half the septic systems surrounding the lake are "seriously substandard", the water must contain high levels of pollutants.

Richard Doherty, who is conducting a lake capacity study for the township, refutes the reports of lake pollution. He said the water in Halls Lake has very good clarity, which indicates low levels of pollution. He notes that, because of the size of the lake and the rate at which it flushes itself, it has the capacity to handle whatever amounts of phosphorus are presently leaking into the water.

Under current legislation, Moore said the ministry is only allowed to enforce where septic systems are rated "level 4" or higher. Those classified as seriously substandard are level 3. However, Moore said

owners of seriously substandard systems will receive a letter from the ministry advising them that work should be done to upgrade their systems.

Jean Anthon, president of the Federation of Ontario Cottager's Associations, who was also present Thursday, suggested that an amendment to legislation, which would provide for enforcement of substandard systems might go a long way in easing future problems.

A surprising piece of

information was offered by Doherty, who suggested that even the most efficient septic systems will filter out only 20 per cent of the phosphorus. He said there are methods of improving the efficiency of these systems, but these would come at great expense. He said the best method of reducing the amount of phosphorus leaking into the lakes is by using biodegradable soaps and detergents.

If you have been following the news, you will be aware of the problems on the Island of Haiti. Why not join us on Sunday, July 19th at 6:30 p.m. Mary Lou Wunker, just recently returned from Haiti will be sharing at Minden Gospel Church (North of the Bridge).

Soaps add to lake pollution

A surprising twist to the fight to clean up septic systems surrounding Ontario's lakes was revealed at last Thursday's meeting of Stanhope Township Council.

While the Ministry of the Environment appears to be doing its best to have all septic systems in top working order, the best they can hope for is to stop 20 per cent of all phosphorus from leaking through the systems into the lakes.

Richard Doherty, who is completing a capacity study on lakes within the township, shocked the gathering of mainly cottagers when he said that a system in prime working order retains only two tenths of the phosphorus released into the drains.

This is certainly sobering news to lakefront property owners. While most seem genuinely concerned with the condition of their lakes and are taking steps to improve their systems, they have likely been blindly contributing to the problem.

According to Doherty, steps necessary to improve the retention of area septic systems would be very costly. The best method of reducing the flow of phosphorus into the lakes is by using biodegradable soaps, shampoos and detergents. It is also very important that cottagers abandon the old practice of bathing in the lake.

While there is yet to be a serious pollution problem in any of the local lakes, cottagers should be taking every possible step to ensure that none develop.

The only cost to the cottagers is the extra few cents for the special soaps. This would be more than offset by declining property values should the lakes become overgrown with algae from an abundance of phosphorus in the water.

Acid rain report

The following information on local precipitation was gathered at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada. There were three precipitation events during the latest reporting period.

on June 28, one mm of rain, pH 4.3, from Lake Superior, northern Michigan and Lake Huron.

June 29, 14 mm, pH 4.3

from Indian a, Ohio and southern Ontario.

July 3, 4 mm, pH 3.9, Michigan and southern Ontario.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Former owner questions story

Editor:

You had an article in a week or two ago about Chateau Woodland Lodge

and I would like to refute many of the statements made in that article. I am the widow of W.F. Salter so I know whereof I speak.

Disappointed with coverage

Editor:

After reading The Times this week, I was surprised and disappointed that there wasn't even a mention of the fireworks display that the volunteer fire department put on for the people and their friends of Minden.

There was a terrific turnout and the firemen put on a fantastic display. Our volunteer firemen are just that "volunteers", and I was very upset to see that your paper did not acknowledge their wonderful work that

night.

These fellows do a wonderful job for us and the many "extras" they do for the people of our town are far too often overlooked.

I would personally like to thank them for giving myself, and my family, a great Canada Day fireworks display, and I'm sure no one went away disappointed.

Great work guys.

C. Arbour,
Minden.
A volunteer's wife.

Chateau Woodland Lodge opened in the spring of 1940 and in preparation for the opening the entire sub floor of the main building was built and the kitchen unit was built.

In the Spring of 1941, the entire main building was built.

We had many Canadian guests as well as many American guests and there were many cottages on the grounds when Chateau Woodland opened in 1940.

We never took payment well ahead of the reserved time and we never used that money to build more cottages. In fact, we never took deposits at all on reservations. When the new owners took over in the Fall of 1980 they asked deposits of the guests and some of the former guests resented it and said they were never asked for deposits before.

We did not have a "humble" start. We were very successful from the

time Chateau Woodland opened in 1940.

By 1948, when the Chateau Woodland opened in the spring, there were 55 cottages, comprising 72 rooms, and apparently the new owners have never built any more.

It is not true to say that the resort started to expand when American visitors wanted to book accommodation for their friends. In 1939 W.F. Salter determined to build Chateau Woodland and his decision had nothing to do with Americans.

And I am nowhere near the nineties.

The writer of the article should learn the facts before making false statements.

I trust you will publish this letter.

G.J. Salter (Mrs. W.F.)
Haliburton, Ontario

Editor's note:

The information for this story was gathered from the present owner of the resort.

What do you think about...

Who's the greatest?

by Bill Kulas

Who was the greatest heavyweight boxer of all time?

Younger boxing aficionados think of the greatest as being Cassius Clay, better known as Muhammad Ali, maybe Joe Frazier or Larry Holmes. All great kings of the ring.

Two great boxers of all time were powerhouses by the names of Jack Dempsey and Joe Louis. My father who, by the way, many years ago used to promote professional boxing and wrestling in the Province of Quebec, had the opportunity of knowing and seeing both of these great athletes in action and was able to tell me a bit about their fighting exploits.

Jack Dempsey, born William Harrison Dempsey on June 24th, 1895 in Manassa, Colorado was an out-and-out heavyweight slugger. At his peak he could knock out anybody in the world.

As a young man he worked in mines and lumber camps and for relaxation he would take on any challenger in a fist fight. Known as a tough back alley brawler with a knock out punch in each hand, Jack

Dempsey soon turned professional. At over six feet in height and weighing close to 200 pounds, Dempsey took on a tough cowboy by the name of Jess Willard in Ohio in July of 1919. Willard weighing 260 pounds and standing six foot four inches barely lasted four rounds with Dempsey.

In 1921 in Jersey City, Jack Dempsey took on a fighter from France, George Carpentier. The first fight in history to ever take in a gate of over a million dollars. Carpentier was no match for Dempsey and actually broke his thumb on Jack's jaw. Dempsey knocked Carpentier out in the fourth.

Fans loved Jack Dempsey. In Philadelphia in 1926, over 120,000 came to see him take on Gene Tunney. In 1927, over 100,000 fans packed Soldier's Field, Chicago to see a re-match with Tunney, paying over \$2.6 million for the privilege of being present. A phenomenal amount of money, considering the fight took place 60 years ago!

Jack Dempsey died on May 31st, 1983 in New York. He was 88 years of age and a legend in his own time. Next week Joe Louis, the "Brown Bomber".

Corporation gets new LEAD grant

The Haliburton County Development Corporation will receive \$337,400 from the Local Employment Assistance and Development program (LEAD) to fund its second year of operation aimed at stimulating new employment opportunities by supporting creative local business and entrepreneurial activities, Victoria Haliburton M.P. Bill Scott has announced.

"I am very pleased to be announcing continued federal funding of this very worthwhile local employment development initiative," Scott said. "With these funds the Corporation can continue its efforts to foster the growth and expansion of local business and entrepreneurial opportunities that will generate more permanent jobs for Haliburton County residents."

Scott also commended the corporation for its accomplishments during its first year of business. "In its first eight months of operation for instance, the corporation, through direct investment in local businesses, created 21 jobs, with an additional 11 jobs resulting from clients using the corporation's non-investment services."

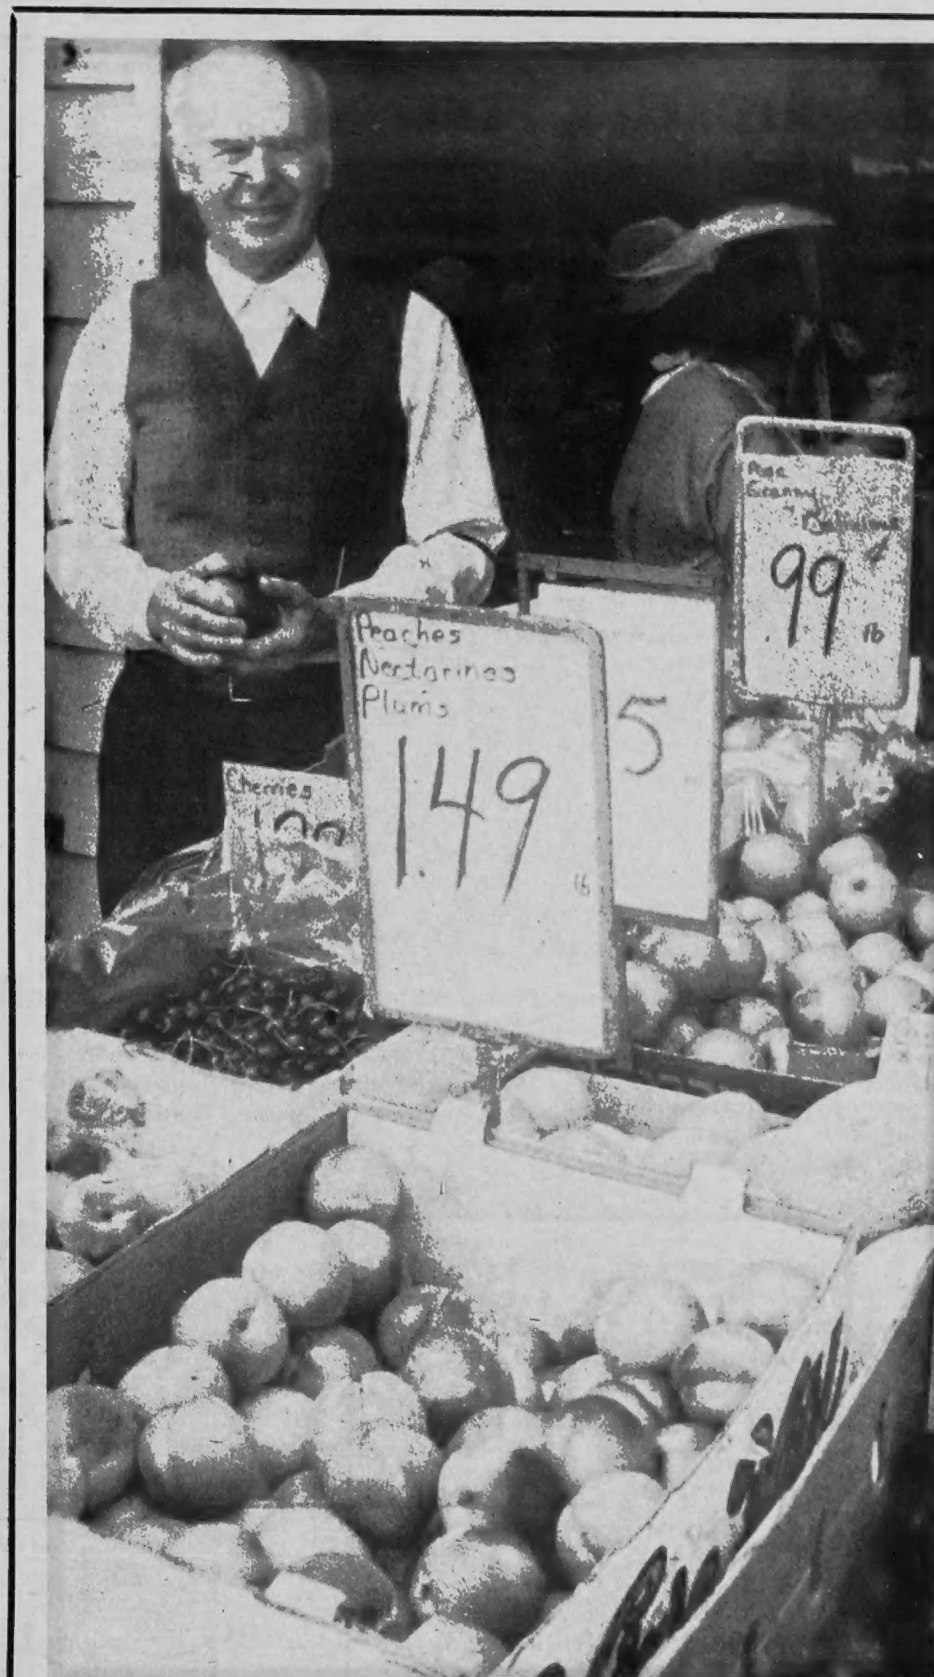

As well, the corporation

developed the county's first business directory which lists more than 600 employers, and dealt with 346 client queries, he added.

Funding provided under the LEAD program supports the establishment of community-sponsored businesses or projects that provide or lead to on-going employment in areas of chronically high unemployment.

Another busy semester of Parliament has drawn to a furious close in Ottawa. It was a quite remarkable period from September to June in Ottawa in which our efforts to build a shared vision of the future with Canadians finally became evident.

In the three years since our election we have moved from a government imposing its will on Canadians to a government working with Canadians. We have moved from a government forcing regional interests to ensure regional

Minding the stand

Russell Woodcock portrays Haliburton pioneer green grocer Fred Freeman during a village-wide historical re-enactment marking Canada Day. Citizens interested in the history of the community, presented a variety of scenes from the early days of the village.

Parliament closes in fury

- by Bill Scott, MP -

development as well as national growth. We have moved from a government which developed federal policies and programs from a centralist perspective to a government that develops consensus for its policies and works with the provinces to adapt them to specific circumstances.

The past few months will be remembered as the period in time when our eleven Canadian governments, under the direction of Brian Mulroney, reached a once-impossible consensus on a

new Canadian Constitutional Accord which includes all the provinces. It will be remembered as the time our government responded to

the challenge of opening up our trading borders to protect our future as a trading nation by sitting down to try and negotiate a freer trade agreement with the United States. It will be remembered as the time the Hon. Michael Wilson tackled what no other Finance Minister ever achieved, a major reform of

our antiquated and blatantly unfair income and sales tax laws. And last, but not least, it will be remembered as the time our government brought forth the Capital Punishment issues and permitted a free vote in the House of Commons on the principle of the issue. On the whole it should be remembered as the time this

government delivered on the promises of the past in these and in a great many other areas.

As I look at my schedule

Tight rules defeat centre

(from page 1)

24 of the last 30 weeks. The committee has made repeated requests for some relief from this strict criteria because it disqualifies most of the people the project was designed to help. For courses starting in September it meant that only those who could not even find summer employment could participate.

The committee and staff have tried a number of variations from the original plan to try and adapt to the

new guidelines, but after a very frustrating year have decided it just won't work. Needless to say, they are very disappointed to see something worthwhile that they have created fold, but they felt it wasn't being fair to anyone to try and continue under the present

circumstances." Following the meeting Thursday, it would appear, unless some other source of funding can be found, the centre will not continue. A number of students are currently operating the Bed and Breakfast operation under a separate employment training program. The facility will remain in operation until the end of August to fulfil the commitment to these individuals.

When the centre moved to the Dell Haven location in the spring of this year over \$300,000 in grant funds were made available by the federal government for the program.

The centre employs a full-time director, part-time secretary and instructors on a contract basis, when courses are underway.

for the summer and fall I know that I will be seeing many of you at various events throughout the riding. In the fall we will be building, with excitement,

toward the arriving of the Olympic Torch in Lindsay on December 21. I urge all of you to participate in Celebration 88, your opportunity to help celebrate the Olympic spirit which will culminate in the Calgary Olympics beginning on February 13, 1988.

Have a happy and safe summer.

50th anniversary for Miner's Bay Lodge

Burns Bedard, devoted guest at Miner's Bay Lodge was just one of the guests heard by Dave, Anna, Bill, Mary and Bob Wunker at the Lodge's 50th anniversary celebration held July 4. A crowded house was on hand at Miner's Bay to pay tribute to the Wunker family who started Miner's Bay Lodge back in 1938 on the shores of Gull Lake halfway between Minden and Norland on Highway 35. On hand for the celebrations were Dick Griffin, Elizabeth Carrell and Gary Chapman, three noted artists who each gave the Wunker's a painting of their concept of Miner's Bay.

Clifford Lacey

An active and involved member of the community passed away Monday following a protracted battle with cancer. Clifford Lacey was 62 years of age.

Cliff Lacey was the sort of individual who added colour and life to a community. He was always first to volunteer for a worthy cause, willingly offering his services for the betterment of all. And, when not involved in some organized effort, he would find a way to spread good cheer.

Cliff was always ready with a joke, a friendly greeting and a broad grin. As he popped into businesses along the main street, brightening the day of shoppers and staff.

At Christmas, Cliff would appear on the Main Street, dressed in his Santa costume, handing out treats to the children. At Easter he would be found in a bunny costume, delighting the youngsters and adults, with the candies.

Cliff was born in Toronto in 1924 and moved to Minden in 1975 after retiring from Shannon Steel in Orangeville where he had worked as a welder and mechanic. He married Jean Wright in 1944.

He was an avid sports-

man, involved with the local Lions Club, serving as director, vice president and president of the organization, served as a board member on the Minden Agricultural Society, and the Minden Historical Society. He was also an active worker for the Minden Horticultural Society and a director of the local Liberal Association. He was also a former member of the Orange Lodge in Toronto.

Best described as a man who always had to be doing "something" when not involved in the many local organizations, he would be making wooden toys and furniture for his grandchildren.

Cliff is survived by his wife Jean, five children, Jeanne and Mike Cruickshank, Jeunne and Jim Simpson, Clifford and Cheryl Lacey, William and Wendy Lacey, and Joanne and Jim Oatman. He is also survived by 12 grandchildren, brother Bruce, and his wife Bernice, sisters May Hill and her husband Stan and Doris Hubbard and her husband Richard.

The funeral service was held Thursday afternoon at the Gordon A. Monk Funeral Home in Minden.

Dixie Lee defeats Spartans 5 - 4 Wednesday

Dixie Lee scored a very satisfying victory over Gravenhurst Spartans Wednesday in Minden. The team now has 4 wins against 4 losses and one tie for 9 points in a possible 18.

Furthermore goals for and against are even at 26.

Gravenhurst began strongly and scored first on a corner kick which an unmarked player headed into the net. Tom Eager

scored the equalizer on a picture goal. He dribbled the ball down left wing around a defender and sent a high shot over the goalie's head into the far corner.

Gravenhurst again went ahead before Brian Moore

scored for Dixie Lee. Ivor Thompson sent a ball over the Gravenhurst fullbacks and Moore outran the last defender. The goalie hesitated allowing Moore to get to the ball first and chip it over the goalie coming out.

Dixie Lee went ahead for the first time in the game on a goal by Hans Walter. Tim Haxton passed the ball to Kenzie Johnston who carried the ball deep into the right corner before turning

and sending it back to the centre where Walter stepped around a defender to score with a low shot to the left. Unfortunately Gravenhurst tied the game and the half ended 3-3.

The second half was scoreless until the 15 minute mark. Gravenhurst scored on a neat cross from the right corner. Dixie Lee felt deflated because this goal had closely followed a goal of theirs that was disallowed.

Immediately following the face-off at centre, however, Walter passed to Eager who moved around a defender to break in the clear. Alone with the goalie he scored on a shot to the left.

The game continued for ten minutes in a 4-4 deadlock until the last 5 minutes. Johnston dribbled the ball to the right corner and turned to loft a high cross to the centre of the net. Joe Mancuso then completed a spectacular over the head bicycle kick which scored cleanly. Then with only a few minutes remaining, Dixie Lee played ball control soccer. The fullbacks and goalie worked the ball back and forth denying Gravenhurst a touch and ran out the clock. It was an exciting game.

Dixie Lee now hope to improve their record with a home win against Orillia City who narrowly defeated them 2-1 in their earlier game.

The team will practice in Minden on Wednesday, July 15 at 6:30 before travelling to Parry Sound on Sunday, July 19.

prepared by Jim Milne

Grant for festival

Improved facilities and marketing for the Haliburton Bluegrass Festival will be possible with the help of a \$50,000 grant through the provincial Destinations East program.

Last year, the festival attracted 3,500 visitors. Members of the Haliburton Legion, who organize the event, estimate that attendance will almost double this year. Some of

the funds from the grant will be used to upgrade Glebe Park, the site of the festival.

In approving the grant application, Victoria - Haliburton M.P.P. John Eakins said the improvements will open the park to all types of events. "I am confident this will encourage other organizations to sponsor similar activities to attract tourists," said the tourism minister.

Destinations East is a seven-part program designed to assist the tourism industry in Eastern Ontario.

CHACE services expanding

submitted

10 years.

Child care services are expanding in Minden. In addition to the existing CHACE Day Care located on Prince Street, the new Village Children's Centre opened its doors this week.

This private enterprise is geared to meeting the "family's" needs while still providing a professional children's programme for children ages 18 months to

The four staff members' key word is flexibility as they attempt to accommodate parents' fluctuating shift work within their 7:30 to 6:00 day, Monday to Friday.

Although they are at present working on an 8 week temporary summer programme, it is the intention to be a licenced day care by September. A highlight of the summer

months is to be able to offer a school age programme for the 6 to 10 year olds. Part of this age group's daily schedule includes the half-day Recreation Programme held daily at the community centre.

The Village Children's Centre is temporarily working out of St. Paul's Anglican Church parish hall. For more information please call Faith Aggett - 286-1831.

TOWNSHIP OF STANHOPE FINANCIAL STATEMENTS

as at December 31, 1986

AUDITORS' REPORT

To the Members of Council, Inhabitants
and Ratepayers of the Corporation of
the Township of Stanhope:

We have examined the consolidated balance sheet of the Corporation of the Township of Stanhope as at December 31, 1986 and the consolidated statement of operations for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as we considered necessary in the circumstances.

In our opinion, these consolidated financial statements present fairly the financial position of the Corporation of the Township of Stanhope as at December 31, 1986 and the results of its operations for the year then ended in accordance with the accounting principles disclosed in note 1 to the financial statements applied on a basis consistent with that of the preceding year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 1986

1. Basis of Accounting

These consolidated statements reflect the assets, liabilities, sources of financing and expenditures of the revenue fund, capital fund, reserve funds and reserves and include the activities of all committees of Council and the following boards, municipal enterprises and utilities which are under the control of Council:

Stanhope Airport Committee
Stanhope Recreation Committee

2. Non-Consolidated Entities

There are no non-consolidated entities.

3. Operations of School Boards and the County of Hastings.

	School Boards	County
	\$	\$
Taxation and user charges	662,391	95,404
Amounts received or receivable	662,391	95,404
Requisitions	662,376	95,654
Overlevies (underlevies) for the year	15	(250)
Overlevies (underlevies) at the beginning of the year	(7)	62
Overlevies (underlevies) at the end of the year	8	(188)

The revenues and expenditures are not reflected in the "Consolidated Statement of Operations". The net underlevies at the end of the year are reported as "other current assets" on the "Consolidated Balance Sheet".

4. Trust Funds

Trust funds administered by the municipality amounting to \$161,700 (1985 \$133,805) have not been included in the "Consolidated Balance Sheet" nor have their operations been included in the "Consolidated Statement of Operations".

5. The above data has been extracted from the audited 1986 Consolidated Financial Report of the Township. Copies of the 1986 Consolidated Financial Report and the auditor's report thereon, are available at the Township Offices to any resident who wishes to review or analyze the financial operations of the Township in greater detail.

Increase noted in permits

(from page 1)

Of the 103 permits issued thus far this year, three are for commercial development, 20 are residential, 15 are for cottages, 15 are for garage and storage buildings, 11 are for renovations, 31 are for additions, eight are for swimming pools, demolitions and boat houses.

The increased demand for building permits, accompanied by a new fee schedule has set his department "well on its way to becoming self sufficient." Through the sale of building permits, his department has taken in \$11,172 so far this year. This is a significant increase over the \$4,429 taken in during the first six months of 1986.

"The statistics on compliance letters tell a similar story of tremendous activity in the real estate market," Ooman said. By the end of June this year, the department had collected \$1,600 in fees for compliance letters, which more than doubles that taken in during the first half of 1986. He also notes that statistics on the number of new lots created through land severances "show again that the real estate market is setting unprecedented new highs this year."

In addition to the building activity, the department notes renewed activity in the Ontario Home Renewal

Program. He said there are currently six applications being dealt with after three years of inactivity in this program.

The building department has also taken a new program under its wing this year, which oversees site plan control for commercial development. "My department has been involved in developing, along with our clerk and solicitor, a streamlined procedure for site plan control which hopefully will not impede commercial development but will allow direct input by council at crucial stages of development," Ooman said in his report.

With the appointment of a secretary to the building department, Ooman says he has been able to completely revamp the administrative system. He said his secretary, Mrs. McCrea, has set up a new filing system for all properties and developed a more systematic approach to billing procedures.

Ooman, who is also the secretary treasurer to the Committee of Adjustment, reported that the committee has dealt with five minor variance applications so far this year. Under animal control, Ooman said he answered 17 calls, nine dogs were impounded and two were destroyed.

In other bylaw matters, he said he issued a number of

letters regarding property standards and clean up. He has also reviewed a number of current bylaws and is in the process of designing a new noise control bylaw, and a new property stand-

ards bylaw.

Finally, he reported that he has marked two wolf pelts for the county wolf bounty and has answered one complaint under the weed control act.

Police briefs

Charges laid

As a result of a domestic dispute on June 29, Richard Golka, 35, of Toronto, has been charged with breach of probation by Minden OPP.

Police found that Golka had been drinking liquor

contrary to a probation order made by the Provincial Court in Minden. He will appear in court on August 5. Constable Brian Sachs investigated the incident.

Camera equipment taken

Camera equipment valued at more than \$800 was stolen from a parked

\$1500 damage

An estimated \$1,500 damage was caused in a single-vehicle accident July 2 on Deep Bay Road south of Minden.

Minden OPP report that Wayne Liberty, 41, of Cambridge has been charged with driving under suspension, careless driving, and operating a vehicle with improper plates. Constable Bob Wood investigated the accident in which there were no injuries.

vehicle on Bobcaygeon Road North late Thursday night.

The equipment included a maroon camera bag, a 35 mm Minolta camera, various lenses and a flash unit.

Minden OPP have also received reports of a 15 1/2 foot Humber fibreglass boat with a 50 h.p. Evinrude outboard motor from Denna Lake; a homemade trailer, 4,000 watt generator and 100-gallon water tank from North Road; liquor and food from a Bob Lake residence; electric heaters, vacuum cleaner and life-jackets from Haliburton Lake.

Celebrants asked to keep noise down

Common courtesy should be exercised by people having parties in the late evening hours by keeping the noise down. Minden OPP advise.

The detachment receives numerous complaints of excessive noise which occur during the late evening and early morning hours. This noise may be in the form of a

loud stereo, people at a party yelling and screaming, or a chain saw being used early in the morning.

With the combination of woods and water these noises can be amplified, police advise.

While most municipalities have noise bylaws to control offenders, if these are not sufficient, charges of mischief could be laid under the Criminal Code.

Ladies win pair

The Minden Dixie ladies played two games this week, winning one and losing one.

On Monday night the ladies travelled to Irondale only to come up against a greatly improved team. The final score was 20 - 12. Ann Hewson was the losing pitcher.

On Tuesday the Dixie Lee ladies hosted the Gooderham ladies and after the third inning they were down 12 - 1, but Minden finally got their pitching and bats going and came back to 13 - 12. They were led by Michelle, Nelda and Jane. Nelda Cully was the winning pitcher while Bonnie Maxwell took the loss. Bonnie Petit and Bonnie Maxwell had a good night at the plate for Gooderham.

Minden Dixie Lee play host to the Haliburton Sr. Tuesday, July 14 at Minden, then travel to Haliburton to take on the Haliburton Jrs. at 9:00.

1986 champion claims '100' title

(from page 3)

there was some tampering with the directional signs placed along the trail. He said the tampering caused a little confusion initially, but the problem was quickly straightened out. There was no disruption in the running of the event. The spokesman noted that the race had been run on publicly owned land, or on private property where permission had been obtained from the land owners.

This year's champion, Paul Andratis said he was impressed with the organization and hard work that went into the Rockcliffe 100. He described the trail as a 'tough one, really challenging, but not too tough to stop anyone.'

Paul also had praise for the Main Street start. He said he was very impressed with the welcome the event received in the community. "It is the sort of thing we couldn't pull off back home," he said.

Interestingly, the win on Saturday has broken Paul's usual method of claiming the national championship. Last year, in all the events in which he participated, he placed second. The consistency was enough to secure the national title for him. He has raced in only one other event this year, placing second again at a race in Welland. His first place finish Saturday breaks that string.

The following is a list of first place finishers in the various classes of the race. The first number following

the name indicates the number of demerit points assessed during the competition, while the time records their performance in the special test section.

Masters Class: first Paul Andratis, 17, 3:19; second Dave Marr, 17, 3:21; third Blair Sharpless, 17, 5:14.

Open Expert Class: Steve Langdon, 25, 3:42.

300 Expert Class: John Nelson, 19.

200 Expert Class: Bob Turnbull, 32.

Open Senior Class: Nigel

Read, 33, 3:50.

300 Senior Class: M. O'Reilly, 39, 4:23.

200 Senior Class: Andy Acott, 34, 4:04.

Open Junior Class: Ken Staver, 51, 5:23.

300 Junior Class: John Griesse, 38, 4:18.

200 Junior Class: Allan Oldham, 61, 4:31.

Novice Class: Scott Mount, 72, 4:50.

Veteran Class: Frank Cassidy, 29, 4:05.

Super Veteran Class: Larry Bestedo, 82, 4:44.

Property tax grant increases

by Doreen Hawman

Good news for Ontario Seniors.

Effective with the 1987 Property Tax Grant, an increase of \$100, raising the grant from \$500 to \$600 per household. This increase will be reflected in the calculation of your Fall 1987 Grant payment. Where the annual property tax or 20% of their rent is between \$500 and \$600, seniors will receive increased Property Tax Grants of an equivalent amount.

Application forms will be

mailed automatically August 21, 1987. Once the Property Tax Grant applications have been processed, seniors who receive an interim grant in May 1987 will receive the balance in the fall. Cheques will be mailed October 31, 1987.

The Provincial Sales Tax Grant of \$50.00 remains the same and will be mailed November 27, 1987.

For further information contact the Haliburton County Information Centre in the Drag River Municipal Building, Maple Ave., Haliburton, open Monday to Friday 10:00 a.m. - 4:00

p.m. or call 457-2733. Our centre in Minden is situated in the Municipal Building, Milne St., and is open every Tuesday 10:00 a.m. - 4:00 p.m. or call 286-4100.

Please consider becoming

a volunteer, many of our local agencies need your help, whether it be on a continuing basis or for a short term, contact your nearest information centre for further details.

MINDEN ANIMAL CLINIC

Dr. P.J. Bennett

Bobcaygeon Road North
(705) 286-2919 R.R. 2 Minden

Torrential rain July 3, turned Minden and area streets into temporary streams. According to weather recorder Phil Graham, 58 mm or two and one eighth inches of rain fell on the community in one and a half hours. High winds accompanying the storm snapped branches and uprooted a number of trees in various parts of the village but caused no serious damage. These vehicles, passing on Bobcaygeon Road North trade waves, as they ford the flooded thoroughfare.

Your health

Vaccinations help seniors

by Stephen Dawson, M.D.

Last time we discussed the impact that infectious diseases have on the elderly population of the community and also those with chronic disease who are less capable in dealing with infection.

Vaccinations are an effective way of dealing with many infectious diseases. As I discussed last time, the influenza vaccine is recommended for persons aged 65 and over, annually. Another vaccination that senior citizens should receive is the pneumococcal vaccine. Pneumonia and Meningitis frequently are caused by a bacteria called *Streptococcus pneumoniae*. Despite the availability of effective antibiotics, many deaths still occur within five days of treatment. The presently available "23-valent" vaccine has demonstrated a clear protective effect, and is strongly recommended.

Tetanus is an infection caused by the bacteria *clostridium tetani* which grows in contaminated wounds. Fatality is as high as 55% in those over 70. The DT vaccine protects against both Diphtheria and Tetanus

and is recommended in all adults every ten years.

It is anticipated that increased use of these vaccines in the geriatric population will decrease both suffering and unnecessary deaths due to infectious causes.

A presentation on current

management of Diabetes will be made by Public Health Nurse Margaret Graham, dietician Rosie Kadwell and Dr. Stephen Dawson at St. Paul's Anglican Church on Monday, July 13 at 7:30 p.m. All are welcome. Admission is free.

Dr. Stephen Dawson is a

Medical practitioner serving the Minden community who writes a weekly column on health matters for The Times.

senior league

by Pearl Lyle

Hello folks. After the rain, hail, snow and wind, lovely days are here again.

Our bazaar and strawberry tea turned out very well indeed. The quilt ticket was drawn and the lucky winner was Ferne Greer of Bracebridge.

Our service in the chapel was given by Mr. and Mrs. Burgess, assisted by Mr. and Mrs. Harold Thompson. Sunday evening and Tuesday morning service was by Father Elliott of Minden Anglican Church.

My ninetieth birthday was celebrated on Saturday by my family as a surprise party. I thought Jean and George were taking me out for lunch, instead, we landed at the Anglican Church Parish Hall where the whole family were present. The Church Ladies put on their usual well prepared lunch including a lovely birthday cake. Debra Dart played the part of M.C. in her usual capable manner. At 2:30 folks came from all over to wish me well. To mention a few places: London, Kitchener, Huntsville, Bracebridge, Sundridge, Ajax, Miner's Bay, Fenelon Falls, Haliburton. I received

greetings and scrolls from different governments and personal greetings from Mr. John Eakins and Wm. Scott. I would like to take this opportunity to thank everyone for coming and helping to make it such an enjoyable time. Thank you one and all.

On Sunday the staff at Hyland Crest had a beautifully decorated cake for me and all present sang Happy Birthday. On Monday Mr. Samuelson our Administrator read the scrolls and other messages that came for me.

Mr. and Mrs. Cameron from Peterborough were guests of Winnie Barnum on Sunday. Nearly everyone in here had company for the weekend, but I was away and lost out in getting names.

Birthdays for July are Carrie Jones, Pearl Lyle, Wilbert Sisson, Janie Kent, Amelia Good.

All for this week.

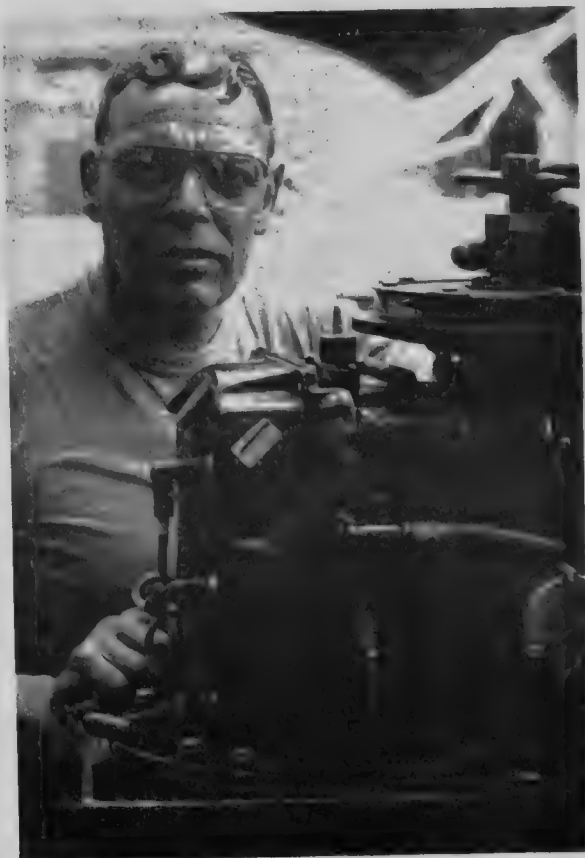

"Of in quiet solitude

I think in retrospective mood

Of all the days and years gone by

Of memories that will not die."

- ANNOUNCEMENT -

Allsaw Bridge Marine is pleased to announce the appointment of Mr. Don Booth as Chief Mechanic. Don brings 30 years of marine experience to our dealership, and is active in the community in his role as Chief of the Minden Fire Department.

A NEW APPROACH TO ADOPTION DISCLOSURE IN ONTARIO

NOT ALL ADOPTED CHILDREN GROW UP WANTING TO KNOW ABOUT THEIR BIRTH PARENTS.

BUT FOR THOSE WHO DO, THE PROCESS HAS OFTEN BEEN FRUSTRATING AND INCONCLUSIVE.

THE SAME IS TRUE FOR PARENTS, GRANDPARENTS, BROTHERS OR SISTERS SEARCHING FOR A CHILD PLACED FOR ADOPTION YEARS AGO.

ON JULY 6, 1987, AMENDMENTS TO ADOPTION LEGISLATION CHANGED THE CONDITIONS AND PROCEDURES FOR OBTAINING ADOPTION INFORMATION IN ONTARIO.

NON-IDENTIFYING INFORMATION, IF AVAILABLE, SUCH AS THE BIRTH FAMILY'S BACKGROUND AND MEDICAL HISTORY, WILL BE RELEASED ON REQUEST TO ADULT ADOPTED PERSONS (THOSE 18 OR OLDER); AND INFORMATION ABOUT THE ADOPTIVE FAMILY'S BACKGROUND WILL BE GIVEN TO ADULT BIRTH RELATIVES, UPON REQUEST.

INFORMATION THAT REVEALS THE IDENTITY OF AN ADULT ADOPTEE OR A BIRTH RELATIVE WILL BE SHARED ONLY IF BOTH PARTIES HAVE VOLUNTARILY ENTERED THEIR NAMES WITH THE ADOPTION DISCLOSURE REGISTER AND CONSENTED TO DISCLOSURE. THE CONSENT OF ADOPTIVE PARENTS IS NO LONGER REQUIRED.

IF BIRTH RELATIVES HAVE NOT REGISTERED, AN ADULT ADOPTEE CAN REQUEST A SEARCH. HOWEVER, CONFIDENTIALITY IS PROTECTED THROUGHOUT. IF LOCATED, BIRTH RELATIVES CAN SIMPLY DECIDE NOT TO HAVE THEIR IDENTITIES MADE KNOWN.

THE ISSUES AND EMOTIONS SURROUNDING ADOPTION INFORMATION ARE COMPLEX, SO PROFESSIONAL ADVICE IS PROVIDED AT EVERY STAGE. THE PROCESS WILL ALSO TAKE TIME, SINCE A LARGE NUMBER OF REQUESTS ALREADY EXIST.

ALL THE NEW PROCEDURES AND SERVICES ARE OUTLINED IN A FREE PAMPHLET, AVAILABLE IN ENGLISH AND IN FRENCH. CONTACT YOUR LOCAL CHILDREN'S AID SOCIETY OR WRITE THE ADOPTION INFORMATION UNIT, 700 BAY STREET, 2ND FLOOR, TORONTO M7A 1E9. IN TORONTO, CALL 963-0709. ELSEWHERE IN ONTARIO CALL TOLL-FREE 1-800-387-5477.

Mrs. Shirley Thompson and daughters from Cannington, Tanya and Tammy, visited with her mother Ruby Johnston last week. Ruby is once again making plans to return to Lexington, Kentucky with her friend to the Red Mile Race Track. Good luck.

Club 35's pot luck supper was well attended on Wednesday. The winners for the evening were - door prize - Shirley Bunker, most lone hands - Gebрге Alsop, high lady - Evelyn Holder, high man - Myrna McCarthy and others - Gladys White, Olive Upton and Elmer Davis.

The village was really saddened to learn of the death of the good citizen Cliff Lacey last Monday, so well known for his cheerful manner and his kindness to all. We will really miss you Cliff.

Mrs. A. S. Kernohan spent a week with the Tom Parish Family of Willowdale.

Minden Figure Skating Club are trying to raise funds by saving labels from Campbell Soups, Chunky Soup, Prego, Swanson, Pepperidge Farm, Le Menu, Allen's, Mitchell's, V-8 and Gattuso. Save your labels and turn them in at Leitha's Sweets and Treats near the L.B.C.O. store or call 286-3559 for further details.

Darlene Walker of the Post Office was the lucky person to call "Bingo" at the Special Minden Rotary Bingo on July 5th for \$1,000. Congrats!

The Altar Guilds of Our Lady of Fatima Roman Catholic Church would like to thank Pete Dollo for the use of the old IGA Store for their yard and bake sale, July 4 and also all the ladies, men and boys for their help as well as people who donated articles. Lee Oster Chairman

Sincere sympathy goes to the families and friends of the late J. H. Finlay of Tory Hill and also Frank Biagi who passed away recently.

All good wishes go to Bruce Scribner who has been ill at his home.

One last note, the only rider born in Haliburton County with the Bikers Ride for Sight last month was Gary Dufty, did you happen to meet him?

Travelways Bus Terminal has moved back to town, now located, as before, behind Little Rascals, with lots of parking and within walking distance for many people. Don't wait out front, you might miss the bus, as one person did last week, and it leaves early on weekday mornings.

Muriel Ewing, Sandra, Logan and Daniel Moth, of Toronto, visited last weekend with the Milton Sears.

At the Tuesday luncheon euchres at the Wagon Wheel last week, winners were Mitzi Alzner, D. Toy, lone hands Nelda Yakely and door prize Irene Houghton. For reservations call Muriel at 286-2733, with the next games being July 21st.

Belated 45th wedding anniversary good wishes to Ruby and Carl Francis who were entertained at dinner by their family at St. Paul's Parish Hall on July 4th and at Gelert Centre later that evening.

Tosha Kellett of Atlanta, Georgia is spending the summer with grandparents and relatives.

For the past several weeks Gloria and Joe Martinez of New Jersey have been visiting with Rev. George and Linda Elliott and the grandchildren.

"Drop In" goes on for members of the Shuffleboard Courts on Wednesday

day mornings at 10. Come and enjoy a game or two.

Next birthday at Hyland Crest is that of Amelia Good on July 19. All good wishes go to her.

The annual summer Salad supper and Bazaar of U.C.W. will be held Wednesday, July 15th at the United Church Hall from 5-7. Come and enjoy homemade pies and rolls. Busy Saturday - "Treasures from your attic" at the Parkette on July 18th, also St. Paul's Bazaar, Tea, Bake Sale and many other things at Parish Hall. At Wilberforce is the Country Good Times, 17, 18 and 19. Call 448-2981. St. Paul's Thrift Shop will be open Friday, July 17th only for this week.

Also get your ticket for a Thanksgiving Weekend aboard the Nashville

Express. Call 286-3400 through Minden and District Lions Club.

Visiting with Angus and Gloria Cameron of Norland recently were Sam and Ann Binder and Eva and Joe Steiner from Strathroy.

Club 35 winners at this week's euchre party include: door prize - Joke Sevink, most lone hands - Len Trodd, high lady - Shirley Bunker, high man - Elmer Davis and others - Melissa Hampson, Harold Smith and Elmer Davis.

Mr. and Mrs. Norman Gemmell had relatives from Grand Rapids and Lansing, Michigan over the past week. July 4 was celebrated by having a pig B.B.Q. with the rest of the Gemmell family and many cottagers.

Birds - Swallows

Did you ever watch a bird make a nest?

I did.
Made of twigs, and earth and leaves and feathers,
It works so hard to make a home
For its chicks.
One day you see eggs
Swelling the nest
And mother and dad
Taking their turns sitting on the nest
Protecting their young, warming the babies.
Mommy and Daddy fly away in turns
To feed
Then come back to see their babies are safe.
Suddenly, one day
You see four little mouths
Open, all so hungry
Mom and dad are busy
Filling mouths
That never seem to be filled.
Peep, peep they never seem to sleep
But wait for more
Their parents fly for more, to fill to the core
Their appetites.
They soar and float on winds that flow
Down below
Their babies
Wait, and nestle and fight
Each one is right, he or she is the boss.
Mom and dad work very hard
To take care of their brood
Next year
Once more it will begin again.
Nature is a wonderful thing
And God who created it all - is King.

Yvonne

kid's korner

by Jean Lacey

Hi kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Circle the words in the diagram and cross it off the list.

It's as easy as that, have fun!

Q: Why did the farmer call his piglet ink?

A: Because he kept running out of the pen.

Q: What have an acrobat and a milk glass got in common?

A: They are both tumblers.

Q: Where do fish raise money?

A: In a prawn shop.

Guild news

by Shirley Hodgson

This past week I have been actively involved in the "set up" of the annual Summer Sale of the Haliburton Guild of Fine Arts.

Honestly, I am sure that most people have no idea of the many hours that the volunteers put in each year to ensure the success of this annual sale.

Perhaps one could best describe it as though it was a preparation for a theatre production. Everyone has a special part to play and each one must be co-ordinated with the others. Of course, Vivian Hill and Wendy Bateman do deserve a lot of credit for the wonderful job they did - but now, I would like to pay tribute to their four team captains - Mimi - for Spring, Marian - for Summer, Jeanette - for Fall, and Claire - for Winter. Every day prior to the show they were at the school with their various helpers - who

spent many hours of time, patience and artistic ability. Each one helping to make sure that everything was just perfect for opening night.

Then opening night - Friday, July 3 seemed to go off without a hitch. The Choir, as usual, performed just beautifully - I watched the faces of the children sitting on the floor and others in the audience and they all enjoyed every minute of the music.

The guest speaker Joan Foster - presented the awards to the various artists.

Two of the winners I'd like to mention - One is a young man Kevin Dodds who drove through a terrible hail storm in order to get to the opening. He told me he came from Arnprior and he had to pull off to the side a couple of times as the storm was so bad. He was such a nice young boy and so thrilled that he had won second prize for his painting - but he was even more excited when he found out that a friend from his area had won first prize for her painting. I know this young

man will do well in the future as he has that "gift" of excellence - and great determination. Good luck Kevin.

I'm also very proud to mention that my oldest son Martin Hodgson won second for his wood-working. This is the first time he has entered in this show and he was thrilled with his achievement.

Without the help of the 250 volunteers this summer sale could never be accomplished. This is the 23rd year and each year seems to be more successful!

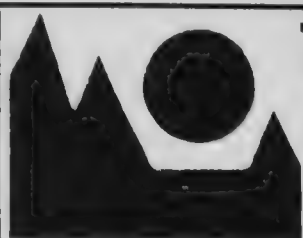

Attention all Quilters. If you are interested in helping with next year's Guild Quilt please be on hand any day from Monday, July 13th until Saturday, July 18th from 11 a.m. until 8 p.m., whenever you have time. Everyone is welcome in the air conditioned Library of the J. Douglas Hodgson Elementary School. For more information please call Marie Wallace - 754-2648.

IT

has been brought to my attention that in my haste to announce the recent purchase of WENTWORTH'S MARINA by WES and KAREN LYTLE, I neglected to seek the permission of BILL PAYNE REAL ESTATE LTD., the listing broker. For the record I should like to apologize to Mr. Payne for this oversight on my part. May I also state that it was a pleasure for me to work with Mr. Payne's agent Bob Stinson as we played our part in negotiating a satisfactory agreement. It is an ill wind that blows no one good. This situation brings the name of the LYTLES to the surface again so why don't you just drop in and buy something?

In the interests of better relations within this industry and improved service for those who may wish to buy or sell real estate anywhere in Haliburton County I am - Yours truly,

Keith Hill, Sales Associate

CARD OF THANKS

The Staff of Extensicare would like to thank the CHEX "No Stars" for a great lob ball game on Thursday, June 25, 1987 in aid of the Hospital Expansion Fund. It was a fun evening for a very worthwhile cause. Special thanks to Chuck and Janet O'Neil of the I.G.A., Mike Easton of the Valu-mart and Ray Gervais of Hostess for their generous donations and Nancy Brink for officiating the game.

Thank you to Dr. Holliday-Rhodes, the nurses and staff of Minden Hospital, for your kindness and concern recently.

Alice O'Neill

Special thanks to our family and friends who surprised us with a 25th wedding anniversary celebration at the Minden Curling Club on Saturday, July 4, 1987. The "Vegas Trip" and gifts are very gratefully appreciated. Thank you to everyone involved in donating their time and effort in preparation for the event. It was a night to remember always. We love you all.

Bill & Marg Harrison

CARD OF THANKS

From Chris Dollo, Chairperson and Lee Oster, Chairman we say: Thanks to all who helped to make the Altar Society of Fatima R.C. Church the success it has been. To the ladies who worked their butts off we say thanks. To the shops who loaned us equipment in order for us to work, thanks. Home Hardware behind Slims and Jim McMahon Feed Store for his saw horses. Also the Lions Club for all their help before - on - and after. To the drivers - Ron Reid and Herb Roodenberg, Hugh Allore, Frank Dunsford (Lions), Bob McNab (Lions), Maurice & Dorothy Boyd (Lions & Lionesses) and to the many people who donated and bought articles, we say thank you. To Al Thompson (Lions) who made the signs, thanks Al. To Bill Bailey's men of the O.P.P. who did us a great service, thanks guys and to AHM for barriers. To Peter & Chris & David & Dianne for their building, Chris Dollo & Lee Oster Chairperson. The bake sale was a success and to all who worked, donated and bought we say thanks. From the ladies in charge of the sale - Toos Reid, Julie Gray, Helen Allore (who supplied tables and coverings).

CARD OF THANKS

A sincere thank you to everyone involved in Ceilidh's return and for your efforts on our behalf.

The Truscotts

AT REST

LACEY Clifford (Cliff)

- at Minden Hospital on Monday, July 6, 1987 in his 63rd year. Beloved husband of Jean (nee Wright).
